Prestige International Group

Opening of 「Premier Health Clinic」 Clinic for Japanese expats in India

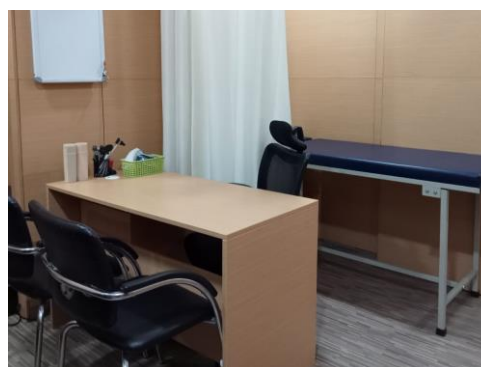

Prestige International Inc. (Headquarters: Chiyoda-ku, Tokyo, CEO: Shinichi Tamagami, hereinafter "PI") are pleasure to make a statement that our affiliated company, Prestige Global Solution inc. (Headquarters: Chiyoda-ku, Tokyo, CEO: Tateki Nakamura, hereinafter "PGS") has opened a new health care primary clinic “**Premier Health Clinic**” in Gurgaon, India. The primary aim of this clinic will be to provide health care services, especially to Japanese community residing in India.

■Background

Prestige International Group (hereinafter “PI Group”) has been running “Japanese Help Desk” to support Japanese expats and their families by providing complete medical supports in case of bookings, attendings and interpretations and cashless services in local clinics and hospitals. Our services are highly demanded in South-East Asia and South Asia due to the location where number of Japanese companies are enormous and differences of its medical systems in between. Consequently, we have been launched our services in India consociate with major hospitals where fully equipped and in good healthcare conditions.

On the other hand, those major hospitals are suffering from waiting times caused by many needs. Therefore, we have decided to open “Premier Health Clinic” for seamless services and easy consultations.

We provide Japanese medical interpreters to be attended their consultation and further supports in case he/she is requested to see a specialist. In near future, we are planning to take this concept overseas as well and open more clinics where PI group offices are located.
