■Background of the establishment

In August 2022, P.I.PRESTIGE INTERNATIONAL INDIA PRIVATE LIMITED, a local subsidiary in India, opened a clinic for local Japanese residents in Gurgaon, where many Japanese people are living, with the aim of resolving issues at local hospitals such as the large number of patients, long waiting times and uncertain medical expenses.

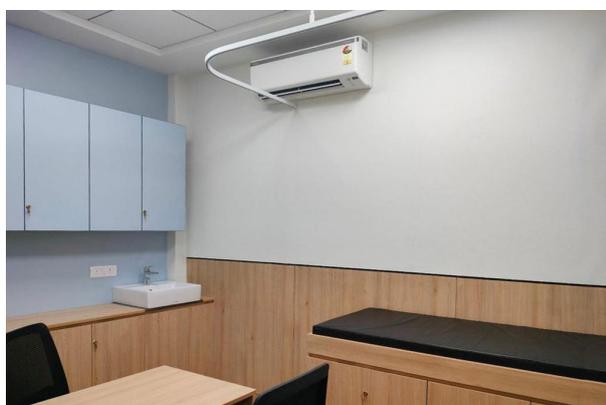

Neemrana, which was one of the candidate site for opening a new clinic, has an industrial park exclusively for Japanese companies, and many Japanese people live there. Although the area has similar problems to Gurgaon, the “Premier Health Clinic Gurgaon” located far away from the area. Hence the clinic was opened as the “Premier Health Clinic Neemrana” in consideration of convenience.

As in the first Clinic, this Clinic has a Japanese interpreter staff, easily receive medical examinations at a transparent medical cost and travelers can also visit the clinic by paying the actual expenses.

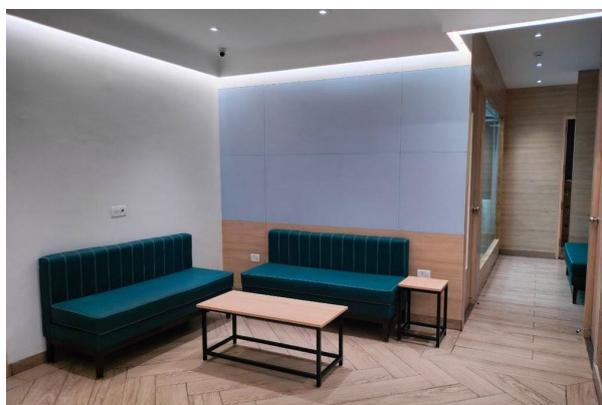

We will open clinics in India, as well as in Asia and Latin America, with the aim of expanding the services for the Japanese people overseas.
