Prestige International Group

Announcement of Opening of “Premier Health Clinic Aguascalientes”, the first clinic for local Japanese residents in Mexico

Prestige International Inc. (Headquarters: Chiyoda-ku, Tokyo, CEO: Shinichi Tamagami, hereinafter “PI”) is pleased to announce that its consolidated subsidiary, Prestige Global Solution inc. (Headquarters: Chiyoda-ku, Tokyo, CEO: Tateki Nakamura, hereinafter “PGS”) in collaboration with its Mexican subsidiary, PRESTIGE INTERNACIONAL MÉXICO LTDA, has opened “Premier Health Clinic Aguascalientes” which is the first clinic for local Japanese residents in Mexico.

■Background of the establishment

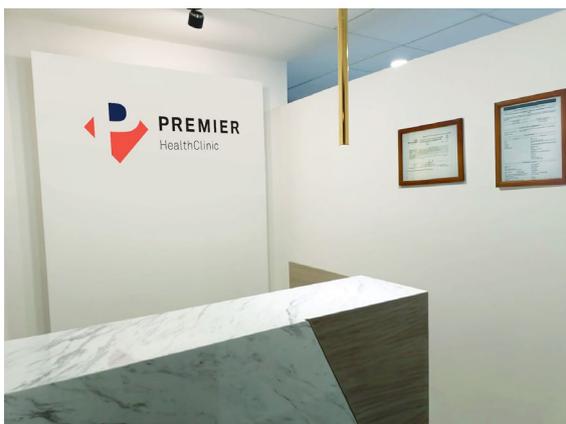

PI Group operates two clinics “Premier Health Clinic” in India. Based on the same scheme, PI Group has decided to open a clinic in Aguascalientes, a city in midwestern Mexico, where several Japanese companies have expanded their business and many Japanese people are living.

The clinic has the advantage of being located on the premises of a general hospital, and is able to refer patients to specialists in gynecology, orthopedics, dermatology, etc. at the hospital when necessary. When a patient visits the hospital, Japanese-language interpreting staff will provide support such as arranging for prescription medication. Travelers who are not covered by insurance can also receive medical examinations by paying the actual cost of the consultation fee and interpreter.

In the future, PI Group intend to open such clinics in Mexico as well as in Central and South America, with the aim of expanding our services and business for Japanese people overseas.
